MEET OUR JUDGES!

Kirsten Locke

I have been involved in agility for over 25 years. I have been lucky enough to participate as a competitor, a coach and a judge in the sport.

I started with a small Miniature Pinscher mix and a Border Collie. I have since loved and trained three Irish Setters and a Sheltie, each with their own strengths and challenges. Beyond the connection we build with our dogs, I think one of the best things about this sport is that we are always learning.

I am very excited to be invited to the 2024 Alberta Regionals and witness some fantastic teamwork. I hope all competitors, canine and human have a wonderful weekend and remember that we all own the best dog. Have fun!

I have been an agility competitor since 1996 with dogs jumping 4" to 22", and I started judging in 2010. I attend Course Design clinics and classes to continue learning. My courses are designed to provide challenges with safety and flow. I believe the sport should be inclusive for all handlers, be them super athletes, weekend warriors, or parasport competitors.

I currently have two dogs competing in AAC and UKI agility. I love this sport. I enjoy the technical challenges, the athletic activity, the competition, the friends, and of course teaming up with my dog.

No matter the outcome of the run, I hope I see you running hard, smiling large, laughing loud, and praising your dog.

In my other life, I am an Arborist, hence constantly surrounded by BARK.

Cheers,
Tracey Mallinson

My family and I have had dogs around us all our lives. My grandparents raised and trained working labs in Troon, Scotland. I have owned several breeds of dogs in my lifetime, both big and small. Here are the breeds I've lived with: English Sheep dog, Newfoundlander, Rottweiler, and for the last 22yrs Poodles. I tracked with my Rottweiler and I do agility with my poodles.

I'm an AAC, and UKI Judge. I have the pleasure of being invited to Judge the Albert 2024 Regionals.

As a judge, I enjoy the interaction with competitors and their dogs. I really enjoy meeting kids and adults from all across the country that come to play on my courses. I think Agility is quite a community, because we have competitors that come from all walks of life working and playing with the dogs. Agility really gives us the opportunity to make friends right across Canada or even the world. It's up to you how far you want to take it. The fun part of judging is not just being out on the course, but also doing all the design work beforehand. I really like the creativity of course design. I enjoy creating a fun and challenging course. I am always looking in a forward direction to better my course design skills. I feel there is great value in receiving feedback on my courses from both the course approvers and the competitors that run my courses. As a judge I feel it's important to continue learning how to design better courses.

My involvement in agility started as a volunteer in 2002 and evolved into competing in 2007. My working dogs:

- Little Rascal Alfalfa a Miniature Poodle (current) 12" Reg.
- Jack Sparrow a Kleinpudel (Retired) 20" Reg, 16" Vet, 8" DD Vet.
- Re-Pete a Miniature Poodle (Retired) 6" Vet.

To all competitors:

While we gather here at this event. Please take a second to look to your left and your right and smile. The competitors you see are here for the same reasons - To have fun with their dogs.

Please be kind to your dogs. The time we have with them is limited and they only play this game for us. Always remember the hard work you and your dogs have accomplished to get here.

We are here to enjoy ourselves and our K9 friends. Always keep this thought in your mind as you and your teammate play each of the events.

I am cheering for you! Have fun.

It is super exciting to be asked to participate in judging for the 2024 Alberta / NWT Regionals. My wife, Deb, and I started agility in 1999 with our first dog Shasta. Over the past 20 years there have been lots of memories of running my 6 dogs and getting to go so many different places with this great sport.

Loving this fantastic sport, becoming an agility judge was the next step in developing into a more informed handler and participant. I have enjoyed all the learning in course design and understanding what “flow” looks like for dogs big and small.

It has been my privilege to judge in the Alberta/NWT Regionals in recent years. It is so inspiring to be close to the action and have a front-row seat to phenomenal teamwork between handlers and dogs.

I sincerely wish all of you best wishes at this 2024 Alberta/NWT AAC Championships. Have an awesome time. Remember that, no matter the outcome, you put yourself out there, stepping up to the line with your amazing partner. Enjoy and learn. Good Luck!

Alicia Glasier, Linda Glasier, Tracey Mallinson, & Alex Schwanke	The Lorraine Kildaw Big Smile Award: Lorraine had the best smile and always made others smile with her kindness and welcoming spirit. Throughout the weekend, handlers are asked to nominate anyone that gives them a big grin and warm feeling: another competitor, their spouse, a volunteer, their coach, or anyone who makes them feel happy at agility. Watch for the nomination box on site. The winner will be drawn from the nominees on Sunday night before the awards.

** If more than one dog qualifies use the following to determine the winner:

- 1) the dog that poop/ pees during the greatest number of runs (i.e., one does it during 1 run, and another does it during 2 different runs, then the dog that lost 2 runs due to pottying is the winner)
- 2) If 2 dogs are tied for the number of runs it occurs during, the one that lost the most points would get it. i.e., jumpers vs gamble, the jumpers would get it as that dog lost 75 points whereas gamble starts at 0. (Same with standard vs gamble); Standard vs Jumpers, the standard run would get it as that dog lost 100 points whereas the jumpers dog only lost 75 points (If it is a tie at the multi-run level, the points lost by each dog are added up and the one with the higher total gets the prize.)
- 3) If there is still a tie then it is a random draw between the dogs as to who gets it.
- 4) In no dog wins, the prize will be returned to the sponsor to be held for next year.

Other Rules, Regulations, and Information for Competitors

- The Regional Championship will be held under AAC Regional Rules and Guidelines. These can be found on the AAC website <https://www.aac.ca/>
- All obstacles will conform to AAC Specifications.
- Dogs must remain on leash and under control at all times when not competing or warming up, except in specifically marked off-leash areas at the trial site.
- You must pick up after your dog on the trial/Regionals site and at your hotel. Anyone found not picking up at the site or at the hotel will be excused from the trial with no refund of entry.
- Competitors shall have the right to videotape their individual runs for their personal use only. No portion of the event may be recorded for commercial purposes without the permission of the AAC.
- Through entry to this event each competitor grants to the AAC and its representatives and/or agents all rights and permission to use or appropriate his/her name and his/her dog's name, biography, likeness, photograph, voice, performing persona, or other indications of identity for broadcast, telecast, cablecast transmission or distribution in any format or media now known or hereafter to become known. All competitors hereby release AAC and its representatives and/or agents from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality or any similar right.
- Bitches in season (BIS) will be allowed to compete. The following conditions will apply
 - Handlers are required to notify the trial secretary that they will be running a BIS at the event as soon as it is known.
 - Handlers should minimize exposure of their BIS to other dogs and limit their movements about the grounds.
 - Competitors with dogs that come into season will be allowed to withdraw and will be offered a refund if they choose not to compete.
 - Competitors will be notified there is a BIS on site.
 - A protective mat will be provided for use at the start line (minimum of a 2'x3' mat of non-slip material).
 - BIS will not be required to run in protective panties. If the handler chooses that the BIS wears protective panties in the ring, they will be allowed to run at the end of their height group. If panties happen to come off in the middle of the run, there will be no fault.
 - If the BIS does not wear protective panties, for their run, they will be required run as a group at the end of the group rotation.
 - "BIS" will be noted next to the dog's name on the gate sheet so that other competitors, ring crew and the Judge(s) are aware.
 - BIS must use the designated relief area.
 - BIS must wear protective panties when not within the designated relief area.
 - BIS are also allowed to run the Steeplechase.
- Any handler who is found to abuse a dog will be disqualified and asked to leave the trial site immediately.
- Confirmations will be sent to each competitor upon receipt of his/her entry. Each competitor is responsible for confirming all information on the confirmation email is correct (class, jump, height, etc.). Please promptly email the trial secretary **only** if a change or correction is necessary. All registered dog's AAC ID numbers will be posted to the Regional's website.
- Friday's Steeplechase is a sanctioned AAC event and you do NOT have to enter the Regionals event to compete.
- All dogs must have an AAC ID # to compete. No dog can compete without an AAC ID #.
- A U.S. resident wishing to attend a Regional Championship will be assigned a specific Regional Championship to attend based on the location of their home state. U.S. residents are eligible to attend only the specific Regionals Championship to which they are assigned. AAC state-to-province breakout criteria can be found on the AAC.ca website.
- Regional Championships are open to all dogs capable of demonstrating the elements of agility and control, and the mental and physical ability to carry out the required tests. Any dog is eligible to compete without regard for pedigree. Dogs less than 18 months of age, bitches in season, dogs suffering from any injury or illness that affects the dog's physical or mental performance or any dog that demonstrates signs of aggression towards people or other dogs will not be permitted to compete in a Regional Championship.
- Dogs must run at a jump height at which they would be eligible to compete in an AAC Sanctioned Agility Trial for the class in which they are competing, to a maximum of 24" in the regular classes and a maximum of 20" in the special and veteran's classes
- AAC Rule Reminders:
 - The penalty for leaving the ring and/or catch area, at the end of every run, NOT under control (on leash or in your arms) is an 'elimination'.
 - Although the AAC does not specify restrictions on dog training tools; pinch/prong and electronic collars (dummy or not), including citronella spray collars, are not permitted at AAC sanctioned events.
 - Dogs are allowed to wear a close-fitting collar, with no attachments, in the ring.

- o No leashes, toys, food, or other training devices shall be allowed on the course, except leading your dog to the start and placing the lead in your pocket or leaving it for the leash runner (if available).
